Re-count Service

This is a unique service only available from Saltire Recovery. The service ensures you the customer you only pay for tyres removed from your centre.

How The Service Works

On arrival at your centre the centre manager checks and marks the quantity of tyres already on the vehicle. Your collection is then made and the paper work completed. If for any reason your centre manager does not agree with the collection quantity the vehicle will be unloaded. We then reload the vehicle in the presence of your manager. If the ticket quantity is greater than the collection quantity your collection is made free of charge, also you will receive a further three collections free of charge.
